Your holiday starts here

Dear friends old and new,

Welcome to our 2017 holiday brochure, a special year for us as it is 30 years since our first tour programme. As you will know many things have changed since we started, not only coaches but hotels, ferries, roads and destinations. Our first brochure started with only six holidays and we are now proud to offer over 100 tours and short breaks, a credit to all our clients who have supported us by booking holidays with Travelsure.

Last year we invested in four new executive coaches, three top of the range Mercedes Benz and one smaller 32 seater coach. You may have already travelled on these, if not why not make it this year to enjoy the experience of holidaying with us?

Unfortunately some of our prices have to rise, we could blame 'Brexit' or the pound/euro exchange rate but as you know nothing seems to come down these days. However we always try to offer good value for money varied destinations, both in the UK and Europe. Destinations for 2017 include a superb Rhine cruise and Slovenia, not a new destination but one we have not done for quite a few years. For the UK we have varied our itineraries and places to visit.

To celebrate our 30 year anniversary please watch out for special offers, giveaways and competitions throughout the year.

Thank you for supporting us over the last 30 years and we look forward to welcoming old friends & new on board in 2017.

Some villages/towns are not included on our designated pick up routes however we will endeavour to pick you up at a central point within these villages/towns. This will be subject to an additional cost of £10.00 per pick up/drop off.

Please note: Whether a charge is applied depends on the scheduled route of each specific tour. We endeavour to route the coach/feeders along the most efficient route for everyone.

Coach information:

There is a strict no-smoking policy on board all our coaches. However, there will be plenty of comfort stops en-route to cater for our passengers who do smoke.

All passengers are now required by law to wear your seat belt at all times when the vehicle is in motion.

Our tour coaches are equipped with drinks facilities/DVD players. It is up to the drivers discretion when/how these facilities are used and should not be touched without consent from the driver.

To ensure the comfort and safety of all our passengers we regret we are unable to carry cool or freezer boxes on the coach due to the limited storage space available.

Coach seats are allocated in order of receipt of bookings. If you require a certain seat, which is not available, then you will be allocated the nearest alternative. We reserve the right to alter seat allocations where a situation necessitates; therefore we cannot accept any booking where specific seat numbers are a condition.

Single passengers will be allocated seats together. Should the need arise at any time before departure the allocated seat number may be changed to maximise utilisation of seating available. You will be notified of the change but no compensation is payable in such an event.

All children (inc. infants aged 2 and under) must be allocated a coach seat. Under EU regulations all children travelling in coaches/buses/minibuses are required to use an appropriate child restraint or adult seat belt.

Please note on different styles of coaches the seat arrangements may vary. If these vehicles are allocated to the tour we will endeavour to allocate you seats in the same position, which may result in your seat numbers changing.

Special requirements/hotels:

Any special requirements made by clients will be accommodated wherever possible, however we do not guarantee that they will be met at either the hotels, ferry or coach. Amenities described in our brochure are normally available for the enjoyment of our clients. However amenities such as lifts, swimming pools etc. do require cleaning and servicing thus limiting their availability.

In many hotels clients may be asked to share tables in restaurants. Many European hotels do not offer tea/coffee facilities in your room and such beverages may incur extra costs.

All main hotels used have en-suite bedrooms, restaurant and bar unless stated in the tour description.

On continental holidays a twin room will often consist of a large base with two separate mattresses, and a triple room will often consist of two beds and a foldaway or bunk bed.

Single supplements – we know the subject of single room supplements is controversial, and so we only pass on to you what we are charged by the hotel. The relevant supplement is shown in the price panel for each holiday. Most hotels have a limited number of single rooms available. Occasionally we can obtain single rooms, on request, over and above our original allocation, however these may carry an additional premium above any supplement already shown in the price panel.

Holidays for all:

Disabled passengers – we try to provide holidays that everyone can enjoy, but we do recognise that not all our holidays will be entirely suitable for people with disabilities, poor mobility or special needs. Some coach tours involve a great deal of travelling and hotel changes and it is not possible for our drivers to provide a sufficient level of care, particularly in cases of mobility problems.

If each passenger who has a disability is accompanied by a companion who is able to provide necessary assistance, and the five steps can be negotiated when boarding the coach, then you are most welcome. We would ask that passengers travelling with electric wheelchairs are accompanied by a companion to assist the driver with the loading/unloading of the wheelchair onto the coach.

Luggage allowance:

One medium sized suitcase is permitted per person (max weight 18kg/40lb). It should also be noted that due to limited overhead luggage space we request you keep your hand luggage to a minimum for your own comfort.

It is preferable, for couples travelling together, that they bring two smaller cases rather than one overweight case.

We reserve the right to refuse any bulky or unusual articles on the basis of weight, size or shape, unless notified and accepted in writing by us at time of booking. No dangerous, contaminatory or pressurised items can be carried and you must declare to us any item you feel might fall into this category.

On tours with overnight accommodation/overnight ferry crossings we ask our passengers to bring an overnight bag which will be stored at the front of the luggage compartment. This will be unloaded instead of your main suitcase.

Wheelchairs – We will carry folding wheelchairs in the luggage compartment but space restrictions mean we can only carry two wheelchairs or one electric wheelchair per tour. It is imperative that any requirements for large or bulky items is notified to us at the time of booking in order that we can safely monitor our load factors. Also, luggage space in our feeder vehicles may be limited and any large or bulky items we are not advised of prior to travel may be refused.

Our drivers will physically load your luggage onto the coach, but we stress that it is your responsibility to ensure your luggage is on board the coach in which you are travelling.

Passports:

For passengers travelling outside the United Kingdom you must have a full UK passport valid for a minimum of six months after your scheduled date of return. Please note a passport is not needed for travel to Ireland.

Disclaimers:

Feeder coaches – it may be necessary to use feeder coaches (mini-buses or standard coaches) or taxis to transport passengers to and from pick-up points. Coach seat numbers do not apply until joining your tour coach. Please note that feeder coaches will not have all the facilities of our touring coaches.

Coach configuration – Travelsure reserve the right to downsize/upsize the coach and the carrying capacity to preserve cost efficiency and passenger comfort.

We do not exclude or limit our liability to you for any loss or damage resulting from the negligence of our employees or agents. While we do not accept any liability for actions over whom we have no control, we will give you as much reasonable help as we can in resolving any dispute.

All hotels are booked in good faith and checked either by ourselves/wholesalers when compiling our brochure. We accept no responsibility for deterioration of hotel standards due to a change in ownership/management/staff.

Lost property:

We accept no responsibility for any items left unattended on our coaches. Lost property will be kept at our depot for a period of time. Should you feel you have left personal items on any of our vehicles please telephone for assistance. Items which have to be posted will require pre-payment for postage.

Complaints:

Any complaints should be made during holiday to your driver/courier/hotel reception so that they can do their utmost to resolve the problem immediately. If you feel your complaint is not being dealt with you should contact the Travelsure office for assistance. It is not sufficient to complain when you return if this procedure is not followed. If on your return from holiday you remain dissatisfied you should write within 14 days to us. Complaints will be answered within 14 days of receipt.

Holiday insurance:

All passengers travelling on European holidays must take out holiday insurance, either with ourselves or through an alternative provider.

All passengers travelling on British holidays are advised to take out holiday insurance, either with ourselves or through an alternative provider.

Cancellation:

All our tours depend on passenger numbers, should a tour fail to meet the maximum numbers required then we might be forced to cancel it. We will give you as much notice of this as we possibly can. Should a tour be cancelled you have the following options – A) Full refund of all monies paid. B) New holiday booking within the same brochure year and transfer money with a 5% discount on the holiday cost. C) Transfer money onto an existing booking with no discount.

Cancellation by passengers:

Cancellation by you will result in a cancellation fee (see charges below). Cancellations must be made in writing. Your cancellation will take effect from the date we receive this confirmation. Upon receipt you will receive a cancellation invoice from Travelsure and any refunds necessary. If a cancellation is made prior to 42 days we will allow the transfer of the deposit/monies onto another holiday within the current brochure year. On cancellations made after 42 days no transfer will be possible.

Note: Deposits can only be transferred once. Any further cancellations will result in cancellation fees. Insurance premiums cannot be transferred.

Monies left on hold must be used within the current brochure year.

Cancellation charges:

Up to 42 days prior to departure date	deposit only
42 to 27 days	50%
26 to 14 days	60%
13 to 7 days	90%
6 days or less	100%

We understand passengers cancel for genuine and saddening reasons and we are always sorry to hear of this, however please respect our cancellation charges & conditions.

Note: If insurance has been taken you may be able to reclaim your cancellation charges less the policy excess and insurance premium, if the reason for cancellation is covered under the terms of the holiday insurance. Please read your insurance policy for details.

Medical treatment abroad:

EHIC cards – Passengers travelling to the continent should carry an EHIC card which entitles you to free or reduced cost emergency state medical treatment in the EC. To apply either pick up an application pack from the Post Office, apply on-line at www.nhs.uk or telephone EHIC applications on 0300 3301350.
